Subject: Brownfields Grants, 2013

At around 2 PM in DC, the 2013 Brownfields Grant Recipients will be announced. I am attaching for your information some brief information on the Vermont Recipients. The Region will also send out a regional release. There will likewise be opportunities at a later date to do an event in the state with the recipients.

Vermont has 5 applicants receiving grants. The total funding for the grants are \$1,800,000 (Assessment, \$1,400,000; Cleanup, \$400,000).

Again, the Release will be going out after 2, so please do not share this information with anyone, except your member, until after HQ sends out the release. I will share the Releases as soon as I receive them.

Thanks.
